## Floods in Low Countries Claim Nearly 700 Dead

### OVER MILLION REPORTED TO BE HOMELESS

#### BULLETIN

AMSTERDAM, The Netherlands (AP)—Europe's three-day death toll from storm and flood passed the 800 mark today. Holland was the worst hit with 394 dead in her most calamitous floods since the 15th century.

Amsterdam, The Netherlands (AP)—Europe's three-day death toll from floods passed the 800 mark today. Holland was the worst hit with 394 dead in her most calamitous floods since the 15th century.

Britain counted 389 dead, Belgium 10 and 10 others died at sea when a trawler went down. Brave little Holland mustered all its strength to meet the disaster. Flood waters whipped up by hurricane winds over the weekend poured over crumpled dikes in the sorely-trampled southwest area. The waters reached 40 miles inland.

Damage in the British Isles, Belgium and the Netherlands ran into the millions of dollars.

One sixth of Holland was under water. More than a million persons were homeless in Holland, Belgium and the British Isles.

The danger to the Netherlands remained great. Gale winds which combined with abnormally high tides to cause floods continued to whip the waters over hundreds of miles of sand dunes and connecting dikes which had held back the North Sea for centuries.

Scores of bodies floated among vast seas of debris along Britain's battered East Coast. Rescue officials feared the death toll might pass 1,000. On one British Island—tiny Canvey at the mouth of the Thames—500 persons were missing.

A great army of British troops and civilians rushed by land and sea and air to snatch survivors from possible death in new tides. To the mounting toll on land was added 132 persons drowned in the sinking of the ferry Princess Victoria off Northern Ireland Saturday.

Here in Holland and Belgium, the death toll mounted rapidly last night as the stricken little nations mustered all their resources to meet mounting dangers of disease and starvation. Search (Turn to Page Ten)

Punxsutawney (P)—Brer' groundhog, one eye cocked half open, took a quick look at his shadow at 7:38 a. m. today and ducked back into his burrow. That, say faithful followers of the old woodchuck weather prophet, means winter is here to stay for six more weeks. So don't drain your anti-freeze and put your overcoat in mothballs. Hundreds of devotees left their warm homes and climbed into heavy clothes to trek to Gobbler's Knob for the official word this morning. The furred, prophet stayed only long enough to give television and newsreel cameras one quick wink before scurrying back into his warm home to sleep off the effects of the cold weather.

F. A. Mitchell, 522 Conewago avenue, who used to be a conductor on the old Sheffield trolley line before it was discontinued in 1928, recalled an amusing incident today, it being February 2. Mr. Mitchell says the morning passengers on the car for Warren were discussing Groundhog Day, lamenting the bright sunshine which would enable the 'hog to see his shadow and assure six more weeks of winter when one passenger, an elderly gentleman, said: "Do you think that after running the world all year, the Good Lord would let a groundhog run it for six weeks?" Mr. Mitchell, who later worked on the local line, was janitor at First Baptist church and Warren Public Library before his retirement. He is 75 years of age.

## Republicans at Harrisburg Busy Behind Scenes Working On Question of New Taxes

Harrisburg (P)—Republicans worked behind the scenes today on the question of new taxes while the General Assembly reopened "mark-time" sessions to await the administration's program.

With most formalities out of the way, there was little that could be accomplished in the House and Senate until the less than 100 bills introduced last week are reported out from committees.

A new flock of legislative proposals was expected to be introduced today and tomorrow as the lawmakers began the fifth week of the 1953 session. A two-day session is planned this week.

Both Republicans and Democrats spent the five-day recess studying details of Gov. John S. Fine's record \$1,400,000,000 budget that called for 157 million in new taxes. The governor is expected to hold off his tax program until his tax study committee completes its report some time later this month.

Meanwhile, the lawmakers themselves are expected to add to Fine's recommended appropriations, with favorite projects of their

own. Speaker Charles C. Smith (R-Philadelphia) has estimated that the needed new revenue will be around the 200 million mark.

As the GOP legislative leaders discuss possible avenues of new taxation in informal meetings, the only concrete program advanced so far has been a tax package introduced last week by Rep. Adam T. Bower (R-Northumberland).

### Former Bund Leader In U. S. Reported Dead Over a Year

Munich, Germany (P)—The death of Fritz Kuhn, once the noisy U. S. leader of the Nazi German-American Bund, was disclosed yesterday more than a year after he died in obscurity.

Otto Gritschender, Kuhn's former lawyer, said in answer to inquiries that Kuhn died Dec. 14, 1951, at the age of 55. Gritschender did not know the cause of his death.

Kuhn ended his checkered career as a poor chemist, and his death was not reported by the newspapers.

He made big headlines in the 1930's, however, when he strutted in America in a storm trooper's uniform and thundered the praise of Adolf Hitler. He went to the United States from Germany in 1928, was naturalized two years later and became national leader of the bund in 1936.

Kuhn was convicted in 1939 by a New York jury of stealing Bund funds and imprisoned. In 1954, he was deported to Germany.

In postwar Germany, he was in and out of prison, jailed by both American and German authorities at different times. Finally a German appellate court whittled down a 10-year sentence handed him by a denazification court and freed him Feb. 22, 1949.

### Illinois State Journal Hikes Price to 7 Cents

Springfield, Ill. (P)—The Illinois State Journal, Springfield morning newspaper, today announced that its price will rise from 5 to 7 cents a copy effective at once.

The Journal said the Illinois State Register, an afternoon paper, will follow suit. Sunday Journal and Sunday Register will sell for 12 cents, an advance of two cents.

## SEC. DULLES IN PARIS FOR VITAL TALKS

Paris (P)—Top French government officials fired anxious questions at U. S. Secretary of State John Foster Dulles today on President Eisenhower's reported intention of ending the U. S. 7th Fleet's blockade around the Nationalist fortress of Formosa.

Dulles met all morning with the officials. He had many questions to ask, himself, about why France was dragging her feet in the plans for European unity.

But the French turned the meeting into one of questions on their own part. French sources said French officials were deeply concerned over parts of the American President's State of the Union message to Congress—which they saw in advance of delivery. Dulles called for an advance copy of the message for use in meetings that were to continue this afternoon after he lunched with Premier Rene Mayer.

The French are particularly worried that Eisenhower's reported decision to withdraw the 7th Fleet may spread the fighting in the Far East.

French Foreign Office sources have said Foreign Minister Georges Bidault certainly will bring up the matter during his talks with Dulles and U. S. foreign aid chief Harold Stassen.

Dulles and Stassen, who are making a flying 10-day tour of seven European capitals, were well prepared for the all-day session with the French, including President Vincent Auriol, Premier Rene Mayer and Bidault.

When they flew in from Rome yesterday at noon, they hurried into briefing sessions with American officials, and military leaders stationed in Europe. The meetings lasted well into the night.

The French admittedly are worried that the new policy toward Formosa waters might mean the United States is thinking of putting Chinese Nationalists into the Korean War.

### LOCAL PITCHER SIGNS TO PLAY FOR CORNING

Carl Falvo, left handed hurler for the Sons of Italy in the Sunset League last season, has signed a contract with the Corning, N. Y., baseball club in the PONY League. He will be playing under the management of Tony Lupien, player-manager for the Jamestown Falcons last year.

A graduate of Warren High School in 1952, Falvo started a baseball career in the Hot Stove League.

#### MONOXIDE VICTIM

Heidelberg, Germany (P)—U. S. Army Headquarters announced today Sgt. John Meleshenko, of 48 Columbia Ave., Homer City, Pa., was found dead in his quarters Jan. 24. The cause of his death was carbon monoxide poisoning.

## Plans for Red Cross Month Completed by Local Officials

Plans for Red Cross Month, March 2nd to 30th, were completed at a meeting of the fund raising committee called by General Chairman Allen M. Gibson at Red Cross Headquarters.

Warren county's quota this year has been set at \$26,117, a modest 10% increase of a year ago. The national quota will be \$93,000,000; the increase being made necessary by the greatly expanded Blood Donor program which will face all Red Cross Chapters in 1953.

The theme of next month's streamlined campaign is simply phrased with the plea "raise your \$ to \$3, or up last year's gift by just 10%". And, those in charge of the Red Cross Fund believe that Warren county will respond; when all the facts are known.

Since 1951 the Blood Donor Program has been the chief activity of all Red Cross Chapters though services to the armed forces at home and abroad, disaster relief, nursing services, and Junior Red Cross continue to play an important part in the work of all Chapters.

Blood is now classed as a na-

### Latest Freezing Spell Slated to End Tuesday

Pittsburgh (P)—Western Pennsylvania's latest freezing spell—marked by the lowest reading of the winter in Pittsburgh last night—is expected to end tomorrow.

The temperature plunged to 11 degrees in Pittsburgh, but predicted low for tonight is 24. Tomorrow the mercury will soar to 49 degrees.

## Rites Being Held Today in Memory of Prominent Citizen

This community lost one of its most active business figures about 2:00 p. m. Saturday, when Robert H. Trusler, 19 Water street, died suddenly in the Trusler Feed Store, 104 Water street.

Services in his memory were held at 2:00 p. m. today at the Peterson Funeral Home, conducted by his rector, the Rev. Beecher M. Ruffedge, of Trinity Memorial church. Interment followed in Oakland cemetery.

Robert Hardy Trusler was born in Sinclairville, N. Y., the son of Mr. and Mrs. Frank Trusler, but had been a resident of Warren since he was a small boy. His father started the business which bears the family name, Bob acquiring a half-interest, and, later taking over the management of the firm.

Active in many phases of community life, he served for 12 years as a member of Warren Borough Council; was a member of the borough Civil Service Commission; and a director of the Warren County Motor Club.

Long a faithful member of Trinity church, he had served it as parish treasurer and as Sunday school superintendent; was a member of the church vestry and a faithful choir member.

A member and past master of North Star Lodge, No. 241, F. and A. M., he was also affiliated with the Warren County Shrine Club, Zem Zem Temple, Mystic Shrine at Erie; of Coudersport Consistory and a trustee of the Masonic Temple Association.

At one time a member of the Barbershop Men's Chorus, another of his active interests was the Warren Players Club, where he had served as treasurer and assisted in many of its productions, as an actor and committee member.

Besides his wife, Ann Peters Trusler, he leaves one daughter, Mrs. Quentin Holt, Warren; two grandchildren; and one brother, Howard, also of Warren. He was preceded in death by his parents, a sister, Lucy, and a brother, Bruce.

### ANNUAL BANQUET OF CIVIC CLUB TONIGHT

All is in readiness for the annual banquet of the North Warren Civic club at 6:30 tonight in the North Warren Community House. The speaker is to be Dr. Hubert Winston of Pittsburgh, and a large attendance is expected.

## U. S. SABRES TANGLE WITH RUSSIAN MIGS

Seoul (P)—U. S. Sabre jets tangled with Russian-built MIGs Alley today. Pilots reported shooting down two Red jets, probably destroying another and damaging two more.

It was the 15th straight day of dog fights in far northwest Korea. The Air Force said today's battles ranged from an altitude of 8½ miles down to 500 feet.

The flashing air battles came after U. S. Superforts and fighter bombers struck heavily at Communist battle front positions last night and early today. The Air Force said it was the biggest B29 strike on Communist bunkers and gun positions in a year.

Far East Air Forces reported 10 of the big bombers dumped 100 tons of high explosives on the Reds. Fifth Air Force fighter-bombers followed up the raid early today.

At least 17 bunkers and five gun positions were reported smashed. The Eighth Army said the sharpest ground fighting broke out on the Western Front near shell-battered Old Baldy Hill. Allied troops withdrew from an outpost position after a two-hour night assault by 80 Chinese, but reoccupied the hill before daybreak without resistance.

Elsewhere only sporadic patrol clashes were reported.

The Eighth Army said Allied tanks completed a three-week bunker busting shoot on the Central Front—from the Kumhwa Ridges to Whitehorse Mountain—and that tank crews reported hitting a total of 1,000 bunkers. The Army said more than a half-mile stretch of Chinese trenches were destroyed.

The tankers did most of their shooting from dug-in, sandbagged positions on the main Allied line.

In Tokyo, Far East Naval Headquarters reported the Navy and Marine Corps had lost 1,033 planes in the first 30 months of the Korean War. Of the total, 471 losses were attributed to Communist ground fire and fighter planes and 562 were blamed on operational accidents.

### Chesterman Committee Proposes Method To Save \$10 Million Year

Harrisburg (P)—Methods to save an estimated \$10,000,000 yearly by revision of purchasing methods were offered state officials today.

The suggestions came from the Chesterman Committee and is the largest single economy measure yet recommended in 17 surveys completed by the group.

Gov. John S. Fine appointed the group, headed by Francis Chesterman, Philadelphia, to survey possible savings in state government methods.

The purchasing survey commended the state's procurement activities on a whole when compared with other states but still suggested wholesale changes.

One would bring about creation of a secretary of supply in the present Department of Property and Supply. An advisory and review committee would advise the secretary on policy and hear complaints of suppliers.

The committee recommended speeding up the system of competitive bidding on state purchases. The Bureau of Standards would be expanded in the revised setup.

## State of Union Address Says Kai-Shek Free to Strike At Chinese Reds on the Mainland

Washington (AP)—President Eisenhower announced today he is ordering the U. S. Seventh Fleet to stop shielding Communist China and, in a surprise move, he invited Congress to disavow any Roosevelt-Truman "secret understandings" which permit enslavement of people anywhere.

At home, the new Republican President cautioned against tax cuts until a balanced budget is in sight and gave his blessing to the end of all price and wage controls when present authority for them expires on April 30.

Eisenhower said the present effect of the Truman order neutralizing Chinese Nationalist island of Formosa is to protect the very Chinese Reds who are killing American soldiers in Korea.

Eisenhower spoke out in a State of the Union message which brought him before a joint session of Congress for the first time since he took office.

It was a far-ranging 8,500-word address in which the Chief Executive took "individual liberty" for his theme and—

1. Said near-balance of the budget, and with it the prospect of tax cuts, won't come in the immediate future.

2. Predicted that with the end of controls some prices will go up and others will come down.

3. Said in emphatic terms this country has "incontrovertible evidence that Soviet Russia possesses atomic weapons."

4. Promised all action within his power to wipe out race segregation in the District of Columbia and in the armed forces.

5. Announced a new system of checking the loyalty of federal employees, together with a series of studies and surveys designed to end "waste and incompetence" in the Post Office and other departments.

Eisenhower's most important announcement—freeing Chiang Kai-shek's Chinese Nationalists on Formosa to strike at the Communist-held China mainland—came as something of an anticlimax. Word of it had leaked out in advance and Gen. Douglas MacArthur among others commended it warmly.

With soldierlike bluntness, the new President stated his view of the fleet's "neutralizing" mission: "This has meant, in effect, that the United States Navy was required to serve as a defensive arm of Communist China."

Truman issued the order on June 27, 1950, two days after the start of fighting in Korea. He directed the Seventh Fleet to protect Formosa against Communist invasion and to assure that the Nationalists did not attack the mainland. The explanation was that the order was designed to keep the Chinese Reds out of the Korean War.

Since 1950, Eisenhower recalled, the Reds have entered the war and, with Russian backing, he said, have turned down every peace overture from the United Nations.

"Consequently," Eisenhower said, "There is no longer any logic or sense in a condition that requires the United States Navy to assume defensive responsibilities on behalf of the Chinese Communists, with greater impunity. (Turn to Page Ten)

## Well Known Business Man Is New Civil Defense Director

Announcement was made this morning that William C. Fuellhart, 406 Third avenue, well known Warren businessman, has been appointed Director of Civil Defense for Warren County, effective January 28. Mr. Fuellhart was named to the post by Governor John S. Fine, and succeeds Joseph H. DeFrees, who tendered his resignation late in the fall.

Mr. Fuellhart resided in Tidoute for many years before coming to Warren to live 10 years ago yesterday. He is associated with the Seneca Lumber Company, the Oneida Lumber and Supply Company, and the G. A. Stiles Coal Company, of Clarion county.

When interviewed this morning, Mr. Fuellhart announced that his chief assistants will be P. C. Osgert and Deputy Sheriff Sandy Secor, both of whom have been active in civil defense work. He went on to say that much of the groundwork has been laid by his predecessors in office, W. Floyd Clinger and Mr. DeFrees, and that he intends to stress the need for more volunteers for the ground-air observation corps.

He stated that while Warren is primarily a refugee center, and that there are arrangements here for over 4,000 beds, being so close to both Buffalo and Pittsburgh, the county could well be a disaster area. In charge of the work of providing bed space has been Joseph Gardner, of the Warren State Hospital, assisted by some 380 nurses in the county and the American Legion Auxiliary. The nurses and the Auxiliary will have one or more from each organization at each designated bed area if and when they are needed, under present set-up.

Mr. Fuellhart said that there will be a meeting of all department heads at civil defense headquarters, located on the second floor of the Court House annex, at two p. m. Saturday, February 7. These include Supt. Carl E. Whipple, education and welfare; Sheriff Larry Linder, security; Horace M. Stevenson, communications; County Commissioner George Seavy, utility and transportation; Dr. A. F. Yerg, medical; District Attorney M. A. Kornreich, evacuation and disposal; O. F. Mayer, Sheffield, technical department; and S. Knox Harper, auxiliary services.

The headquarters office is manned each afternoon Monday through Friday, from one to five p. m. in charge of Mrs. Alabough. The telephone number is 14, and volunteers for the air observation corps are urged to call if they have some time to give in this phase of the work.

**Penelec Plans New Generating Plant**

Purchase of a 60-acre site on the west bank of the Allegheny River, four miles north of Kittanning, for a coal-burning steam generating station was announced today by Pennsylvania Electric Company.

The tract was obtained from the Allegheny River Mining Company of Kittanning for \$31,500. President O. Titus, of Penelec, said the purchase was made as a result of engineering studies showing future need for additional generating capacity in the west-central section of the company's system.

Mr. Titus said the site was selected because of its proximity to water supply and vast coal reserves. He added that arrangements had been made with the Pittsburgh & Shawmut Coal Company for the coal requirements of the station. The large volume of water which will be needed for the station's steam condensers was another factor in the site selection.

The land is located in East Franklin Township, Armstrong county, with 38 acres of the total consisting of level river terrace. Penelec currently is building its largest generating station at Shawville, and a 500-acre site on Lake Erie was recently obtained for a proposed future generating station.

The company serves 330,000 customers in western and central Pennsylvania and is engaged in a construction program estimated to cost \$40,000,000 in 1953 and \$95,000,000 by the end of 1955.

# Dental Posters Are on Display At Public Library Gallery

For the past few weeks pupils of Warren elementary schools, under the guidance of their teachers, were making posters in recognition of Dental Health Week. Motivated by their lessons in health, the work of Miss Donna Douglas, dental hygienist, and the interest of Dr. Victor McAlpin, chairman of the Dental Association, children used art as a means of expressing their awareness in the proper care of their teeth.

The contest was sponsored by the Warren County Dental Association with Dr. McAlpin acting as chairman of the contest division. After being screened by classroom teachers, the remaining posters were judged on readability, originality, problem solving and sensitivity to design. Judging of the posters was held at Beatty Junior High School with the following school faculty members acting as judges: Henry Powell, assistant principal of Beatty School; James Hill, newly returned teacher of art at the Junior High School; and Joseph R. Spence, Jr., elementary art supervisor of the Warren Schools. Dr. Victor McAlpin acted as advisor to the judges.

The following pupils were given recognition for their work:

## HOME NEAR RUSSELL DAMAGED BY FLAMES

Russell — The home of Emil Moore, located on the Swede Hill road west of town, was damaged to the extent of about \$500 last night between 7:30 and 8:00 o'clock, when fire from an overheated chimney burned right up through the structure. Twenty-one members of the Russell Volunteer Fire Department, with their equipment, answered the call.

Last Thursday night, the department answered another chimney fire call to the Myron Nicholson home, Cable Hollow, but reported no damage.

## FREIGHT WRECK

Pennsylvania Railroad Company officials said this morning that 13 cars of a northbound coal train were derailed at Redhouse about five a. m. Sunday when a defective wheel developed in one of the cars. No one was injured, but track damage was considerable. The Warren wreck crew and all section hands in the area were at the scene yesterday using bulldozers to shove the derailed cars out of the way. Track was repaired and traffic restored by late afternoon. Clean-up work of the 13 cars is going on today.

They had been patients in Butler County Memorial Hospital since the mishap occurred when a bakery truck skidded from its side of the road into the path of the Ledebur car. While Mr. Ledebur is able to leave his room, he suffered a painful injury to his left leg. Mrs. Ledebur has a fractured right arm, fractured ribs and other undetermined injuries. At the hospital today it was said their condition is satisfactory.

## Heart Diseases Are Principal Causes Of Deaths in 1952

When the Warren Board of Health met for its annual organization meeting at the Municipal Building, Friday, the annual report revealed that heart diseases caused by far the larger number of deaths here during 1952, 97 victims being listed. Carcinoma was blamed for the second heavier toll, 38; cerebral hemorrhage, 23; infant deaths, 13; and pneumonia, 11. In contagious diseases, C. S. Meningitis caused two deaths; pulmonary tuberculosis, 1; syphilis, 1; accidents, 13; and there were three suicides.

C. C. Winans was re-elected Board president; J. Russell Hansen, vice-president; Dr. William S. Walters, secretary; with J. A. Vermilyea and Howard Lauffenburger as the other two members.

With 859 houses released from quarantine, measles led the list of contagious diseases with 401 cases reported; chicken pox, 295; German measles, 260; mumps, 70; whooping cough, 17; scarlet fever, 5; poliomyelitis, 5; and C. S. Meningitis, 4. The report listed 218 quarantine visits and 78 complaints investigated, of which 61 were found to be valid.

While 157 applications for milk permits were received, only 152 were issued and the inspections were many, 111 of public eating and drinking places; 120 grocery stores, bakeries and meat markets; 135 dairies; 7 school rest rooms; and 5 playgrounds, as well as 341 miscellaneous extra visits. A total of 63 public eating and drinking places were licensed.

Edward F. MacKendrick is health officer and Mrs. Ann McGary is clerk to the Board of Health.

Letters Announce Opening  
Of Annual Heart Fund Drive

Letters inviting Warren County residents to subscribe to the \$4500 Heart Fund campaign, which officially opened Sunday, will be received in the mail starting today, it was announced by campaign chairman, E. G. Garber. This is the first big step that has been taken locally by a committee consisting of Chairman Garber, Andrew Donick and H. M. Mohr.

In an interview Garber stated, "New advances made in recent years as a result of research provide hope for millions who suffer from heart disease."

"Although more Americans are killed or disabled from heart disease than from any other cause," Mr. Garber said, "there is reason for a good degree of optimism because of the fruits of research."

"Scientific investigation is constantly yielding more information about these diseases. Today, physicians can save or prolong the lives of many heart patients who not long ago would have died. Advances like these have been made possible largely because of a generous and interested public which finances the attack on the diseases of the heart and blood vessels."

"Launching this attack is the American Heart Association, of which our own association is one of many affiliates throughout the country. One of the chief reasons for the astonishingly rapid progress the Association has made—and is continuing to make—is a

unique kind of teamwork, a joint effort in a battle against the disease being waged by both the medical profession and the public.

"Through this team of doctors and laymen, the American Heart Association is attacking heart disease on three fronts—research, the most important single factor of the battle; professional and public education; and the development of community heart programs."

The plans of the local Heart Association's annual drive, which is sponsored by the Warren Lions Club, have been outlined by the officers and committee and will be announced from time to time through The Times-Mirror as the campaign progresses through the month of February.

OFFICIAL POSTER of the 1953 Heart Fund campaign, conducted throughout February. The American Heart Association and its affiliates are seeking a goal of \$10,000,000 to support a nationwide program of research, education and community service. Contributions should be sent to your Heart Association or simply to "HEART," care of Post Office.

Titus and Wiggins  
Report Illegal Kills

Game Protector Harold W. Wiggins, of Benton, Sullivan County, avers that "human nature at times becomes confusing." He goes on to say that, "On the second day of deer season, last December, some unidentified hunter decided that a bear was a good target. He

proceeded to shoot a 200-pound female bruin, mortally wounding her. It is hardly understandable," says Wiggins, "that any hunter would wantonly destroy a valuable big game animal so vital to the future of the sport."

David R. Titus, a game protector living at Warren, is quite discouraged over the indiscriminate killing of bears in his Warren County district. He writes: "Once again, this district had more bears

No License Tag Delay  
Due to Prison Riot

Harrisburg—Damages to passenger car 1953 license plates and to machinery used in making those tags—incident to the rioting in Western Penitentiary—is not going to cause any delay for owners, state officials declared today.

Otto F. Messner, Secretary of Revenue, said that complete information about the damage was not

yet available, but he predicted that normal production would be resumed by February 1.

"Requirements for passenger automobile tags for the coming year are estimated at 2,362,018," he explained. "Out of that number, 1,934,500 plates already are in stock here in Harrisburg. That means that workers at the penitentiary must furnish 427,518 more tags."

## CHILDREN'S DENTAL HEALTH DAY

The erroneous belief that a child's first teeth are unimportant "because they fall out anyway" has added immeasurably to the staggering toll of adult dental disease in the United States, the president of the American Dental Association says.

In a statement issued in connection with the fifth annual National Children's Dental Health Day being observed through the United States today, Dr. Otto W. Brandhorst, of St. Louis, says the care that teeth receive during childhood determines to a substantial degree the state of the individual's dental health throughout his adult life.

Loss of teeth prematurely in children can lead to poor mastication, diseased second teeth and facial disfigurement as remaining teeth shift and crowd out of position the erupting second teeth, he says.

Dr. Brandhorst lists four rules of dental health for children:

1. Proper use of the toothbrush immediately after eating is one of the most effective weapons against dental decay. By the age of three, the child should be taught to brush his teeth, or at least rinse out his mouth with water, within ten minutes after eating.

2. The diet should be well-balanced with sugar intake kept as low as possible. America's sweet tooth is the No. One enemy of dental health and the prime cause of tooth decay.

3. Early detection and treatment of dental disease will prevent more serious dental ills later.

4. The fluoridation of community water supplies to give children in the community the prospect of two-thirds less tooth decay throughout their lives than children living in areas where water supplies are fluoride-deficient.

He calls for the development and expansion of community health programs to make dental health education and care available to all children as the most practical way of raising the level of the nation's dental health.

## BOB TRUSLER

In the sudden death of Robert H. Trusler, Warren borough and this area loses another esteemed citizen who long has been a leader in the community's business and civic life and who has won a place of prominence in church and fraternal affairs.

A life-long resident of the town, Mr. Trusler entered the local business scene when his father, the late Frank Trusler, opened the feed store that has become a landmark at the corner of Water street and Pennsylvania avenue west. His business career was supplemented with an active role through the years in civic, church and fraternal affairs seldom equalled by any resident of Warren.

Bob Trusler was a man of genial nature, he made friends easily, and his long experience and untiring effort were invaluable assets to any project with which he affiliated himself such as his lodges, borough council, motor club, etc. He was a devout Christian, a beloved neighbor, a valued citizen, and will be sorely missed by a host of friends, business and fraternal associates as well as scores of acquaintances who enjoyed his cheerful greetings from day to day.

## IN GOOD TRADITION

The picture of former President Truman strolling unguarded around the streets of Independence, Mo., capped very well his first week of private life.

His high good humor reflected distinctly the easy grace and dignity with which he took leave of the presidency.

At nearly every stage of this final chapter, Mr. Truman was at his best. His last message to Congress, his radio-TV farewell to the people, his behavior on Inauguration Day, all were in the good tradition.

But perhaps nothing better showed his basic humanness than his personal order directing the return of Maj. John Eisenhower—against his will—to see his father's inauguration.

Many times Mr. Truman suffered bitterly at the hands of his critics. But in the end his own good will surmounted these attacks. He enters this new phase of his life with but one regret—that he cannot live another 50 years and see this century out.

## "Looks Like We're Rotating Back to 1917"

## Here And There

Fifty years ago yesterday and today, according to The Evening Times issues of the first of February, 1903, Railroads in the state were being plagued by high water and ice. An item in The Times Topics column of January 31 1903, says "Train No. 9, the Flyer from the east, due here at 7:57 a. m., was abandoned this morning and a local made up at Renovo sent through on the fast train's time, due to a huge ice gorge in the Susquehanna, east of Lock Haven. The mail due at 1:40 this afternoon, was also made up at Renovo, arriving almost two hours late."

Following are several paragraphs taken from the column of the February 2d issue: The groundhog had no difficulty in finding his shadow today, and six weeks more of real weather may be confidently anticipated.

The heavy rain of Sunday night brought the river up to such a stage as to actively interest those homeowners living on the Island and other places where it is customary to flood dwellings. The river rose perceptibly, but no serious damage has as yet been reported.

The first train to arrive from the east in two days reached Warren at 2:30 Sunday afternoon, bringing a heavy mail and large number of passengers. The ice gorge that dislocated traffic and covered the tracks for five miles near Renovo was finally broken up and most trains sent through.

Passengers arriving from the east Sunday had many stories of privation and excitement to relate. Most of them had been "out" since Friday evening and were for hours without food. Trains were sent around the ice gorge in every direction, and some passengers returned to Harrisburg, thence to Pittsburgh, and up the river to their destination. Others returned to Williamsport, went across country to Elmira, and west on the Erie Railroad. A fireman on one of the trains was obliged to remain at work so long that he collapsed

and had to be removed to the nearest town.

Terse, Tart and Timely: Borough and state crews were out early Sunday morning cinder streets and dangerous intersections, much to the satisfaction of early churchgoers.

Twelve months of progress and valuable service to the community are reviewed in the annual report to members of the Chamber of Commerce as mailed by Secretary Nat Drake within the past few days.

A book, "The Boy in the Oil Belt", by a former Kane man, Thomas Curtin, is attracting widespread attention. The Rev. Joseph R. Clair, who left Corry early last week to accept pastorate of the Emmanuel Episcopal Church at Hancock, Md., called back to the former city to officiate at two funerals, had charge of communion service in the Corry Episcopal church Sunday morning.

The Rt. Rev. William Crittenden, Bishop of the Erie diocese of the Episcopal church, chose a wintry day to conduct services in the parishes of Kinross and Youngsville Sunday, but, in company with the Rev. William Chamberlain, kept both appointments.

Mr. and Mrs. Henry Ledebur, North Warren, injured when a milk truck crashed into their car near Butler Thursday afternoon, had a number of visitors in their room at the Warren General Hospital Saturday evening, a couple hours after they were quietly removed from the Butler Hospital to the local institution late in the afternoon.

Says an item in "Behind the News" in the Journal: Story is that a woman living just outside Corry was the "mystery woman" who spotted the flames first in that tragic McCoy Nursing Home fire, others who were on the scene shortly afterward said it was the local woman who first sounded the alarm, having seen the fire as she drove by on the highway.

The rush to buy and mail valentine greetings should get under way in earnest by this weekend. Warren visitors in Pittsburgh over the weekend report the cold wave caused considerable suffering among many inmates of Western Penitentiary due to the delay in replacing over 10,000 windows that were broken during recent rioting there.

The first run of say for the 1953 season is reported to have been gathered in the Clymer, N. Y., area during the warm spell a week ago.

## LETTERS TO EDITOR

Jan. 30, 1953

Dear Mr. Lowrey,

May we suggest, concerning this blocking off of the streets for sheding, that each street be patrolled either by fathers of the children or the Jaycees? It has been successful in Titusville. We want it clearly understood we are in favor of blocking off the streets, but for the protection of the children of all ages who slide, we feel this suggestion would save a serious accident or the life of a child.

The children are careless about getting out of the way when cars must come up the hill. We feel that this protection should be started immediately.

Mothers of McPherson St.

January 31, 1953

The Editor,

Warren Times-Mirror:

On January 16th I wrote a letter to the editor in answer to several other letters, and to express my views on the deer problem. At that time I preferred to remain anonymous. People are sometimes influenced one way or another by a signature rather than by the facts presented. And as we are not dealing with personalities, but with a complex deer problem—I still wish to remain anonymous.

A difference of opinion on any subject is a healthy condition. And as the facts are presented a solution will be worked out eventually to the best interest of all concerned; which in this case are the farmers, sportsmen, foresters, and I might add—the deer too.

I believe the cry of the minority for "deer at any price" (by that I mean at the expense of the farmer and the deer themselves) will eventually be defeated, either by a sensible harvesting of the deer or by starvation.

Thank you.

### Many Activities In the Planning For WOTM Group

Senior Regent Maud Eckland, who has been confined to her home by illness, was present for the regular meeting of Warren Chapter, Women of the Moose, and conducted the business session.

It was decided to have another of the popular family tureen dinners at 6:00 p. m. February 11, members of both the chapter and the lodge to come with their families. Following dinner, the regular meeting of the chapter will be held and a Valentine party enjoyed. Chapter members are asked to bring Valentines for exchange and to remember their "secret sisters".

The child care chairman, Blanche Hepler, held her Chapter Night program following the business session. There was initiation of candidates and lunch served during the social hour. Attendance and Chapter Night prizes both were awarded to Mildred Larson.

All chairmen, escorts and officers are urgently requested to attend ritual practice Thursday evening of this week in preparation for the big open meeting to be held Wednesday, February 25. Invitations have been issued to Kane and Bradford chapters to attend this gathering, details of which will be announced soon.

The Warren Chapter has appointed a committee to cook and serve the dinner for officers and members of the "25 Club" of the lodge on Wednesday of this week. They will also serve french fries on Saturday night at the lodge, when another floor show will be presented.

#### PRE-SCHOOL CLUB

All members are urged to be in attendance for the monthly meeting of the Pre-School Child Development Club, to be held at 8:30 p. m. Tuesday at the home of Mrs. Charles Decker, 5 Ruhman Place. Guest speaker will be Miss Jane Masters, kindergarten teacher at Lacy school.

#### GLADE AUXILIARY HAS BENEFIT PARTY

The Glade Township Fire Auxiliary sponsored a very successful public card party in the Irvinedale school, with prizes awarded to the following: Canasta—Curtis Johnson and Janet Whitmire, high; Fred Brown and Helen Riggs, second. Five hundred—Dorothy Ahlgren and Bert Geer, high; Alta Geer and Charles Knapp, second. Auction bridge—Lucy Mostert, high; Margaret Owens, second. Contract bridge—Viola McCausland. Special award, Nell Gearhart. The committee is most appreciative of the efforts of all who helped in any way to make the project a success.

#### CATHOLIC DAUGHTERS

The monthly meeting of Catholic Daughters of America, Court Warren 534, will be held in the YWCA activities building at 8:00 p. m. Wednesday and all members are urged to be in attendance for this pre-Lenten session. Guest speaker for the evening will be W. R. Ruse, from the commercial office of the Bell Telephone Company, who will show colored movies, "The Telephone Hour".

Chairmen for the evening will be Mrs. Robert Haben, Mrs. Marcel Frigent, Mrs. Marian Abraham, Miss Esther Snyder and Miss Ann Zarzabek.

#### THERESA ANN SCALISE PLANS OPEN CHURCH

Mrs. Guiseppi Scalise announces the coming marriage of her daughter, Theresa Ann, to Marion Leo Care, son of Mr. and Mrs. Bruno Care, the ceremony to take place on February 14, 9:00 a. m., in St. Joseph's church. The bride will hold open church for her wedding.

Mr. and Mrs. Vincent B. Zimmerly, 423 East 12th street, Erie, announce the coming marriage of their only daughter, Irene, to Nicholas J. Mangus, Jr., also of Erie, son of Mr. and Mrs. N. J. Mangus, Sr., 11 Melrose Place, Warren. The couple will be married on St. Valentine's Day in St. Stanislaus Roman Catholic church, Erie.

The bride-elect was graduated from Villa Marie Academy and attended Villa College. She is presently attending Erie Business College and is employed as a laboratory technician in the research department of the Erie Resistor Corporation.

Her fiancé was graduated from Warren High School and Gannon College in Erie and is a junior physicist in the Resistor's same department.

### Methodist Choirs Arrange District Festival for May

The commission of worship and music of the Jamestown Methodist District met Sunday in the First Methodist church at Jamestown and set the date of May 17 for the annual District Music Festival.

To be held in the same church, the day's program calls for the afternoon to be devoted to choral selections by choirs of the District churches and a sacred concert by the combined choir, under a guest conductor, in the evening.

Last year the Festival was held in Fredonia and the year previous in Grace church, Warren. Both festivals have brought together many choirs of this district, large and small, adult, junior and cherub groups participating. The commission is looking forward to an even larger Festival this spring.

The chairman of the District music commission is the Rev. John Petrie of Brocton, N. Y. Other members are Mrs. Lucille Lown, Bemus Point; Maynard Waite, Jamestown; Wayne B. Price, Falconer, N. Y., secretary, and the Rev. Wayne Furman, Jamestown, district superintendent.

District Methodist choir leaders who are interested in participating are invited to correspond with the Rev. John Petrie at Brocton.

TODAY is pay day for all the folks who have classified ads.

Mr. and Mrs. Charles E. Tingwall wish to announce the engagement of their daughter, Mary Alice, to William R. White, son of Mr. and Mrs. Rexford E. White. No date has been set for the wedding.

#### PLEASANT GRANGE

Highlight of the lecturer's hour during the regular meeting of Pleasant Grange was an old-fashioned spell-down, with Cappy Wertz taking the honors.

Plans were made for a tureen supper for the next meeting and permission was granted the Sunday school to present religious films one evening each month in the Grange hall.

### ★ RUTH MILLETT ★

Forced Into Silence, She Was a Good Listener

A WOMAN who became an "expert on silence" when she had to stop talking for six weeks because of a throat ailment, claims in a magazine article that the experience taught her three important things.

One. Mothers talk too much. The children paid more attention to her few, but necessary, signaled commands than they had ever paid to her scoldings.

Two. Wives talk too much. Far from finding her dull during her enforced silence, the writer's husband seemed to find her a wonderful companion because he could do the talking. And he was sure there would be no interruptions, no contradictions, no irrelevant questions.

Three. "Women, generally speaking, are generally speaking. We talk too much and too thoughtlessly."

#### MANY WOMEN REGRET THE GIFT OF GAB

THAT last is certainly true. There probably isn't a woman alive who hasn't often had the awful feeling that if she had just kept still instead of sounding off she wouldn't have gotten herself into some unpleasant situation or other.

"Why did I have to open my big mouth?" is always a frustrating question. The answer is always: "I just didn't have sense enough to keep still."

The truth is, most women could cut down considerably on yakky-yak and, by doing so, greatly increase the effect of what they say. Few people pay much attention to the woman who talks all the time or even to the woman who talks more than she is willing to listen.

And if, in a delicate situation, we would ask ourselves: "Do I have to open my big mouth?" instead of the usual "Why did I?" we could save ourselves a lot of grief.

# DOWN WITH THOMAS JEFFERSON?

IS IT HONEST TO CONTINUE TO HONOR THE AUTHOR OF OUR DECLARATION OF INDEPENDENCE WHEN—

1. WE HAVE DISCARDED THE PRINCIPLES HE STOOD FOR?
2. WE HAVE PERVERTED THE FORM OF GOVERNMENT WHICH THOMAS JEFFERSON HELPED TO ESTABLISH?

## JEFFERSON SAID THIS...

"He (King George III) has erected a multitude of new offices and sent hither swarms of officers to harass our people and eat out their substance."

"Were we directed from Washington when to sow and when to reap we would soon want bread."

"If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy."

"The policy of the American Government is to leave the citizens free, neither restraining them nor aiding them in their pursuits."

"Taxation follows public debt and in its train wretchedness and oppression."

## WE HAVE PERMITTED OUR GOVERNMENT TO DO THIS...

OUR GOVERNMENT HAS ESTABLISHED 1875 BUREAUS AND SUB-BUREAUS! OUR GOVERNMENT HAS 2½ MILLION CIVILIAN EMPLOYEES WHO HAVE INCREASING CONTROL OVER THE LIVES OF THE PEOPLE. SALARIES OF CIVILIAN GOVERNMENT EMPLOYEES TAKE 8½ BILLION DOLLARS IN TAX MONEY EACH YEAR.

THE FEDERAL GOVERNMENT NOW REGULATES THE AMERICAN FARMER'S ACREAGE AND THE MARKETING OF HIS CROPS

IN 1950, GOVERNMENT PLANNERS USED 23 BILLION DOLLARS OF THE PEOPLE'S TAX MONEY FOR SUBSIDIES, LOANS, GRANTS AND SPECIAL AIDS TO VARIOUS GROUPS. THUS, ABOUT ONE-HALF OF OUR TOTAL TAX BILL WENT FOR THE PURPOSE OF "CARING FOR THE PEOPLE!"

BETWEEN 1934 AND 1950, THE FEDERAL GOVERNMENT TOOK, IN TAXES, 15½ BILLION DOLLARS OF THE PEOPLE'S EARNINGS TO PROVIDE SUBSIDIES FOR CERTAIN BUSINESS MEN AND FARMERS.

IN 1951, THE FEDERAL PUBLIC DEBT WAS 260 BILLION DOLLARS—AN AMOUNT EQUAL TO ALMOST ½ OF ALL WEALTH IN AMERICA.

IF WE BELIEVE IN JEFFERSONIAN PRINCIPLES, WE MUST RESTRICT OUR GOVERNMENT TO—

# Warren Stages Comeback But Loses to Franklin, 49-43

## Dilers Defeat Meadville To Lead the Loop

A stable 31-16 half time margin provided enough insurance for Franklin High to stave off a troublesome third period and keep a visiting Warren High from quelling the 49-43, in a Section II encounter Friday night. The loss was the fourth in a row for Coach Joe Massa's dribblers, free in the circuit.

Elsewhere Friday night, Oil City staged a thrilling 72-71 triumph over Meadville to take undisputed possession of first place with five consecutive victories. The Doggies are now second with 4-1 count. Titusville High won a first league victory by dumping Corry, 57-46.

At Franklin Coach Alex Duttin's squad now rates third place, -2, while the Dragons were dropped to fourth, 2-3. Friday night's conquest for the Nurserymen was the fourth in succession.

After suffering a 15-point deficit in the first half, the game dragons trounced the margin to our points when they batted the elated Franklin zone for 15 points to four Nursery marks. Warren then fell short two points in a 14-12 final chapter.

Dragon Center Bob Wilson continued his scoring spree and walked off with game honors on four field goals and nine foul shots that netted him 17 points. While substitute Jerry Gordon turned in fine performance of 14 points in seven goals. Nursery scoring was pretty well distributed with Ed Fultz tearing the cords for 2, and Ted Gealy and Ed Graham each hitting for 11.

Unable to break up the nursery one, the Dragons only tallied one goal from the field in the first half, that by Gary Ettinger in the last two minutes. In the meantime the Dutkinmen were blazing away, Pete Dillman leading with six points and Gealy, Fultz and Graham adding additional two-pointers.

Ettinger and Wilson kept the Massmen in view the second period with drive-in shots, but Gealy and Ted Brown wouldn't let the Franklin attack let up and tallied

## Titusville St. Joe Trowned by Sugar Grove in Home Tilt

Revenge on an earlier 70-46 setback, a highly improved Sugar Grove High cage team overpowered Titusville St. Joe's, 46-39, on the home court Friday night.

After being favored in a low scoring 6-3 second period, the Grovers held a 16-15 lead and then forged ahead, 32-21, when they outpointed St. Joe's 16-6 in the third frame. Frank helped form the deficit by tallying 13 of the 16 points. Sugar Grove was on the short end of 18-14 pointmaking in the last quarter.

Frank also topped scoring honors for the night with 23 points, while English led St. Joe's with 12.

**RUNT DEER SEASON**

A deer hunter from Johnsonburg, Elk County, told Game Protector Edward R. Richards about a freak deer he saw in the Bear Creek area last fall. The animal was so small the hunter at first thought it to be a dog. When it came close he observed it was a small, deformed deer not over 18 inches tall. Its legs were badly twisted, the man said. The hunter was further surprised to observe that the runt deer carried a legal rack, with 2 points on one antler and 3 on the other.

Giardello vs. Green In New York Tonight

New York (P)—Joey Giardello, the Philadelphia middleweight with the reversible decisions, gets out of the court room and into the ring tonight to meet Harold Green in the main event at Brooklyn's Eastern Parkway.

Giardello, making his first start since he lost to Billy Graham on Commissioner Bob Christenberry's famous reversal, hopes to use the veteran Green as a stepping stone in the middleweight scramble.

The 10-rounder will be televised (Dumont) in some sections of the country.

Green knocked out Giardello back in 1950, the only KO loss on Giardello's record. Although he will be the underdog, Green could wreck Joey's title ambitions.

## McClintock Has 7th Scalp at Belt As South Defeats East

McClintock School basketballers extended their win streak to seven and South Street cagers climbed out of the cellar during Gra-Y League action on the "Y" court Saturday afternoon. In earning a 33-22 verdict, McClintock nipped Home Street for the second time this season, while South upset East, 25-8.

The win cinched the second of three rounds of play for the West Enders of Coach Dave Olson.

McClintock started off with a 9-4 lead, was ahead 19-10 at half time, and by the end of three quarters held a 31-16 advantage. Creola topped the scoring for the winners with 12, enough for the afternoon's honors. Massa was next with eight, and Watson, Castagnino, Irvine and R. Kane hit for six, four, two and one respectively. Mervine was high man for Home with 10. Brumagim dropped in eight and Drum had four.

Only in front 6-4 after the first period, South held East scoreless for two periods while they racked up a 17-point decision. Fowler countered nine to pace South, followed by Cassell, Lester, and Ostergard with eight, six and two in that order. Terry collected all of East's eight points.

The second round of play ends next week with South and Home in the opener at 1:00 and McClintock and Lacy meeting in the late game.

Score by quarters:

McClintock	G.	F.	Pts.

Buffalo, N. Y. (P)—Jack Kramer goes into his Erie, Pa., match with Frank Sedgman tonight with two straight wins over the Australian, although Sedgman leads in their international pro tennis series, 11 to 8.

Kramer got his second consecutive win yesterday in Buffalo's memorial auditorium, winning in straight sets, 6-4, 6-2, and breaking Sedgman's service in each of the set-games.

Pancho Seguar, meanwhile, stretched his lead over Sedgman's countryman, Ken Mc Gregor, to 17 matches to 3. Segura beat McGreggor, 6-4, 6-4, in Buffalo before 5,041 fans.

Playing to a near deadlock, 16-15, in the first quarter, the Clubbers got wound up and dropped 32 points in the second chapter to take a 48-32 lead at intermission. From there it was just a short walk home.

Kenny Martin got hot for 26 points and Rog Stanley dropped in 21 counters to pace the Jimtowners' victory. Chuck Irvin and Jim Stevenson were the big guns in the Warren aggregation with 18 and 13 respectively.

## McClintock Has 7th Scalp at Belt As South Defeats East

McClintock School basketballers extended their win streak to seven and South Street cagers climbed out of the cellar during Gra-Y League action on the "Y" court Saturday afternoon. In earning a 33-22 verdict, McClintock nipped Home Street for the second time this season, while South upset East, 25-8.

The win cinched the second of three rounds of play for the West Enders of Coach Dave Olson.

McClintock started off with a 9-4 lead, was ahead 19-10 at half time, and by the end of three quarters held a 31-16 advantage. Creola topped the scoring for the winners with 12, enough for the afternoon's honors. Massa was next with eight, and Watson, Castagnino, Irvine and R. Kane hit for six, four, two and one respectively. Mervine was high man for Home with 10. Brumagim dropped in eight and Drum had four.

Only in front 6-4 after the first period, South held East scoreless for two periods while they racked up a 17-point decision. Fowler countered nine to pace South, followed by Cassell, Lester, and Ostergard with eight, six and two in that order. Terry collected all of East's eight points.

The second round of play ends next week with South and Home in the opener at 1:00 and McClintock and Lacy meeting in the late game.

Buffalo, N. Y. (P)—Jack Kramer goes into his Erie, Pa., match with Frank Sedgman tonight with two straight wins over the Australian, although Sedgman leads in their international pro tennis series, 11 to 8.

Kramer got his second consecutive win yesterday in Buffalo's memorial auditorium, winning in straight sets, 6-4, 6-2, and breaking Sedgman's service in each of the set-games.

Pancho Seguar, meanwhile, stretched his lead over Sedgman's countryman, Ken Mc Gregor, to 17 matches to 3. Segura beat McGreggor, 6-4, 6-4, in Buffalo before 5,041 fans.

Playing to a near deadlock, 16-15, in the first quarter, the Clubbers got wound up and dropped 32 points in the second chapter to take a 48-32 lead at intermission. From there it was just a short walk home.

Kenny Martin got hot for 26 points and Rog Stanley dropped in 21 counters to pace the Jimtowners' victory. Chuck Irvin and Jim Stevenson were the big guns in the Warren aggregation with 18 and 13 respectively.

## Tionesta Defeats Marienville By One Point in First Victory

West Forest Joint High School won its first Upper Allegheny Valley contest in a thrilling manner Friday night, when it edged East Forest High, 49-48, on the Sheffield floor.

Despite the 28 points garnered by six-foot-three Bob Gettig, the Dick Finleyman were unable to hold off the necessary second half attack made by the winners. After outscoring West Forest in the first two stanzas for a 25-20 advantage, East Forest dropped behind 13-10 in the third frame and 16-13 in the decisive last period. Bloom had 13 points and Chappel hit for 11 to pace the winners.

The loss was East Forest's fifth in six starts and was the Bill Bowersmen's initial triumph after six straight league defeats.

## Dr. Giunta Defending Champ As Singles Opens on Feb. 8th

The Men's Warren County Singles Bowling tournament opens Sunday, February 8, with shifts firing at 4:30 and 8:00 p. m.

Defending champ is Dr. James D. Giunta.

This year the tourney will run three Sundays over the 12-game route with four games bowled each Sunday.

Championship will be run in the scratch division with duplicate prizes in the handicap division. No one bowler may receive more than one prize.

New Process players were Blaine Jones, John Smith, Fran Morris and Tony Morelli. For the Y-Picks there were Brackett Ayers, Rev. Bob Steen, Doc Krespan, Bob Wilson and Bill Hunt.

This afternoon at 5 o'clock the Phalanx and Sylvania teams will bat it back and fourth.

While the Sheffield High Wolverines remained idle from all basketball play Friday night, Allegheny Mountain League action continued with Kane, Johnsonburg and Ridgway emerging the winners.

Starting second half play, Kane High rolled to its seventh straight circuit win by trouncing Emporium High, 71-54. It was the latter's sixth loss in as many tries. In the other encounters Johnsonburg remained in a close second place by defeating St. Marys, 60-51, and Ridgway took over undisputed possession of third place with an 89-66 decision over Wilcox.

Coach Ralph Santo's Wolverines are in fourth place with three wins and two defeats. The Orange and Black got into the stride tomorrow night with the help of Johnsonburg at Sheffield.

## Nine Games in 30 Days Will Be Test For Seton Hallers

By BEN PHEGAR

New York (P)—Nine games in the next 30 days will show whether a 1953 model basketball team can go through a season undefeated.

Seton Hall University from South Orange, N. J., has won its first 21 games. If it can win its remaining nine contests it will become the first team ever to go unbeaten through a 30-game schedule against major opposition.

The last school to turn in a perfect card for regular season games was Columbia in 1951-52. The Lions won 22 in a row, then bowed to Illinois in the first round of the NCAA Tournament.

Only one other club has gone all the way unbeaten since college basketball went big time. That was Army against the war-weakened squads of 1943-44. And the Cadets played only 15 games.

Seton Hall, for the past two weeks ranked first in the country in the Associated Press poll, picked up its 21st triumph Saturday night at Philadelphia, where it whipped Villanova, 84-76.

This week it helps bring the college game back to Madison Square Garden for the first time in a month when it meets St. Bonaventure in half of a twin bill that includes St. John's of Brooklyn against Manhattan College.

With midyear examinations generally over, basketball activity speeds up this week. More than 100 major games are scheduled for Saturday night alone.

All but one of the 10 top-ranking teams will be busy. De Paul, No. 10, is the only exception as it rests on its laurels after trouncing Notre Dame Saturday night, 83-56.

La Salle, No. 7, has games Tuesday against Colgate and Saturday against Villanova.

Five Lose Lives In Crossing Accidents

Pittsburgh (AP)—Five Western Pennsylvanians lost their lives in railroad crossing crashes, three were killed in a head-on auto collision and six met death in other traffic accidents during the week-end.

A Nickel Plate Railroad freight train smashed into an auto at a crossing in East Springfield Borough, 20 miles east of Erie, killing a family of four.

The victims were George Trass, 42, owner of the Travis Cement Block Co. in West Springfield; his wife, Marjorie, 37; a son, Thomas, 12; and a daughter, Carol Ann, 5.

To kill our soldiers and those of our United Nations allies in Korea. "I am, therefore, issuing instructions that the Seventh Fleet must not be employed to shield Communist China. This order implies no aggressive intent on our part."

Eisenhower disclosed another move in the Far Eastern conflict to "amalgamate increased attention to the development of additional Republic of Korea forces." This was in line with his campaign demand that Korean troops replace other U. N. forces in the front lines as soon as possible.

He said his foreign policy, in general, will envision "all peaceful methods and devices—except breaking faith with our friends."

Then—in apparent reference to the meetings Presidents Roosevelt and Truman attended at Yalta, Potsdam and elsewhere—the new President declared:

"We shall never acquiesce in the enslavement of any people in order to purchase fancied gains for ourselves."

Eisenhower asked Congress, among other things:

1. Early statehood for Hawaii. He didn't mention Alaska, which is morally Democratic while Hawaii votes Republican.

2. "Corrective action" to amend the Taft-Hartley labor law. Eisenhower said the Labor Department was making some specific recommendations and he'd send them along later.

3. Amendment of the McCarran-Walter Immigration Act to remove what he called discrimination against some groups of aliens.

4. Extension of the Old Age and Survivors Insurance law "to cover millions of citizens who have been left out of the social security system." The President also called for federal help to schools in areas which have a "proved need and proved lack of local income."

5. Extension of the Reciprocal Trade Agreements Act. He called, too, for greater efforts by European countries to achieve economic unity.

Interment followed in Oakland cemetery, with Todd Siggins, David Siggins, Quinn Smith, Allen Todd, William MacLaren and Beyer Africa serving as the bearers.

MISS THERESA NELSON

Services in memory of Miss Theresa Nelson, lifelong resident of Irvine, were held at 2:30 p. m. Friday at the Lutz-Vermylyea Funeral Home, Dr. W. J. Prout, pastor, conducted the service, assisted by Dr. A. B. McCormick, Warren. Bearers for interment in Oakland cemetery were John Harrington, Frank Peters, Willis Cooney, Harry Johnson, Alfred Munson and Joseph O'Connor.

In attendance from out of town were Mr. and Mrs. Gust Peterson, Brilliant, O.; Mrs. Gary Johnson, Westville; Mrs. Guy Swanson, Erie; and many friends from Irvine, Youngsville, and surrounding places.

OSCAR LAWSON

Oscar Lawson, 115 Conewango avenue, died at 12:05 p. m. today in Warren General Hospital, where he had been a patient since January 21. Removal has been made to the Peterson Funeral Home, from where arrangements for services, and a detailed obituary, will be announced later.

NELLIE W. VENABLE

Miss Nellie Wilhelmna Venable, 116 West Main street, Sheffield, died suddenly at her home at 3:55 p. m. Saturday. In failing health for the past two and one-half years, her condition had been considered serious for only about four months.

Born in Sheffield on June 3, 1881, she had spent her entire lifetime in that community with the exception of a period of 25 years when she was employed as a domestic in Erie. She was a member of Bethany Lutheran church and of its Loyalty Bible Class.

Surviving are two sisters and one brother, Mrs. Agnes Whyte, Miss Mabel Nelson and Elmer H. Nelson, all of Sheffield.

Friends are being received at the regular calling hours at the Borden Funeral Home and services will be held there at 2:00 p. m. Wednesday. The Rev. Hans Pearson, Bethany pastor, will officiate and interment will be made in Sheffield cemetery.

CAPT. JOHN LYNN BANKS

Word was received here over the weekend of the death of Captain John Lynn Banks native of Ludlow and brother of Mrs. Donald Barnhart, Warren, which occurred Friday in Walter Reed Hospital in Washington, D. C. Aged 45 and a veteran of World War II, he had also seen active duty with the U. S. Medical Corps in Korea, and had been hospitalized since last September.

Born at Ludlow on January 20, 1908, he was graduated from the high school at that place in 1926 and from the Cleveland College of Chiropractic. He practiced in both Corry and Titusville before entering service in 1942. Besides his sister here he leaves his mother, Mrs. Minnie Banks, Ludlow; two brothers, Carl, in Chicago, and Dr. H. M. Banks, Kane.

Services in his memory will be held at Moriah Lutheran church, Ludlow, but details had not been learned this afternoon.

WILLIAM F. BAXTER

William F. Baxter, 58, father of Mrs. James Potter, Jackson street, died at Seven Mile, Ohio, during the night. In addition to Mrs. Potter survivors include his wife and another daughter. Services will be held Thursday in the Ohio city.

Milestones in heart research

It was about a hundred years ago that a French physician, Rene-Theophile-Hyacinthe Laennec, held a tightly rolled cylinder of paper to a patient's chest. He found that he could hear the heart beat far more clearly than with his ear alone. Laennec's experiment led to the invention of the stethoscope, one of the greatest aids to the diagnosis of heart conditions.

Today's physician—thanks to modern heart research—has many precise instruments for diagnosing heart disease. Progress depends on research. And research depends on dollars. So why not strike a blow at heart disease now with a generous gift to the Heart Fund.

Youngsville Mission Plans Enlargement of Its Church Facilities

In a special congregational meeting held with Bishop William Crittenden Sunday evening, St. Francis' Episcopal mission in Youngsville took further steps toward enlargement of the church facilities to take care of the growing needs of the parish.

Named as a committee to look into these needs and draw up plans and suggestions for meeting them were M. V. Mills, chairman; Garner Wilcox, Mrs. A. P. Streeter, Mrs. Max Rhoades, George W. Smith, George E. Smith, Mrs. Ross Davis, Miss Cecilia White, Albert Whaley and Clifford Sample.

This group will hold its first meeting at the church at 7:00 p. m. Wednesday in an effort to get to work immediately on the project and to be in position to report back to the parish by the first of March on the advisability of further expansion.

Bishop Crittenden talked informally on the desirability of expanding the church property to meet its growing activities and pledged the usual help from the Erie Diocese in the actual construction.

The Rev. Beecher M. Rutledge, rector of Trinity church of Warren, spoke of the mission's growth in the past four years and complimented workers of the rural parishes on their splendid cooperation in mission field activities.

Clem Wolstencroft outlined plans already under way for enlarging the church, exhibited drawings of proposed floor plans, and read estimated costs of construction.

In an earlier service during the day, 11:00 a. m., Bishop Crittenden confirmed a class of three members of St. Francis' parish and delivered a sermon on "The Happy Life of a Christian." In the class were Jean Louise Anderson, Mrs. Leta Ellen Newgreen and Mrs. Jean Lucille Howe.

At nine o'clock Sunday morning the bishop conferred the confirmation rite on another class, Karl Robert Schroeder, Gifford Murray Quiggle and Gerald Edward O'Neill, all acolytes at St. Luke's church in Kinzua.

INQUIRY IS LAUNCHED INTO FERRY SINKING

Donaghadee, Northern Ireland (AP)—The British government started an inquiry today into the sinking of the ferry Princess Victoria in the Irish Sea with a loss of 132 lives.

Weary Coast Guardsmen and lifeguard crews had recovered 73 bodies when darkness forced them to quit last night with no hopes of further survivors.

Only 44 of the 176 persons who set out on the 26-mile crossing from Stranraer, Scotland, to Larne, Northern Ireland, Saturday morning lived through the disaster.

Not one of the more than 30 women and children aboard was among the rescued.

other side of a heavy glass partition. The fire spread to a restaurant in the same building but the proprietor, Mrs. Theresa Milford and her young son, Jimmy, escaped. The fire, which caused damage estimated at \$150,000, was too far advanced for the Kane Fire department to save the building. Six new Studebakers were destroyed. Nicolazzo is well known in Warren and Warren county, having been at one time the owner of the Fairmount Hotel, Youngsville, and the European Hotel in Corry.
